**Residence Halls**

Mesa Court and Middle Earth are freshman communities offering a wide range of theme halls with live-in Resident Advisors. Residence life programs provide new students living in the residence halls with the resources they need to make a smooth transition to college and begin a successful career at UC Irvine. Activities include:

- Academic support services: tutoring, group study, academic advising.
- Credited classes held in the residence hall communities.
- Co-curricular activities that support a broad range of interests.

Halls range in size from 48 to 75 students living in single, double, and triple occupancy rooms. Each community has its own dining commons. Meal plans are required for students living in the residence halls.

**Theme Houses**

Arroyo Vista offers a broad range of theme houses organized around academic interests, campus involvement, or Greek membership. The community houses primarily sophomores, juniors, and seniors. Membership in some houses is limited to specific groups.

Transfer students may apply to most academic theme houses including the International Village, where students from the U.S. and abroad share cultures, international perspectives, and friendship. Continuing students may also apply to live in fraternity or sorority chapter houses.

Theme houses have 8, 12 or 16 furnished, double occupancy rooms, a shared kitchen, and large living and dining areas. Some houses offer a 2-room suite with private bath for two students.

**On-Campus Apartments**

Transfer students who prefer apartment style housing may consider one of the American Campus Communities on the east side of campus: Vista del Campo, Vista del Campo Norte, Camino del Sol, and Puerta del Sol. Privately owned and managed, they serve primarily sophomores, juniors, and seniors. All apartments on the east campus are furnished and offer individual 12-month leases. More information and application at vistadelcampo.com.

Campus Village apartments are located in the campus core and serve continuing undergraduates and graduate students. Campus Village is currently transitioning from undergraduate to graduate housing over the next three years.

**Family Housing**

Verano Place and Palo Verde are graduate and family housing communities serving full-time graduate students and undergraduates who are 25 years of age or older, married, in a domestic partnership, or single parents living with their children. Verano Place and Palo Verde offer annual leases for one-, two-, and three-bedroom unfurnished apartments.
