Welcome

We’re truly delighted to be able to share our excitement about University of California, Irvine’s vibrant campus life with you. Our incomparable Southern California location in the coastal foothills of Orange County is only one of UC Irvine’s many advantages. Students quickly learn that at UC Irvine the world is at their doorstep!

Over four remarkable decades, we have become internationally recognized in a broad range of fields. And yet, you’ll find that UC Irvine combines the strengths of a large research university with the friendly feel of a small college. The university is noted for its extensive commitment to undergraduate education, excellent research and graduate programs and a growing number of professional schools. Even as an undergraduate, you may find yourself attending a lecture by a Nobel Laureate of conducting research in the lab of a nationally distinguished scientist.

The UC Irvine campus is energized — with over 600 student clubs and organizations, students can readily find friends who share their interests, whether academic, environmental, multicultural, political, recreational, religious, service, Greek, social or athletic. Some of the activities on campus throughout the year include cutting-edge artists, African Consciousness Quarter, the Rainbow Festival, the Martin Luther King Jr. Symposium and live music at Anteater Plaza . . . and that’s just to name a few.

A major intellectual and cultural center, UC Irvine engages the community through many public activities and events. Recently we have brought renowned speakers on campus including political activist Angela Davis, His Holiness the XIV Dalai Lama, former Soviet leader Mikhail Gorbachev, prominent intellectual Cornel West, politician Willie Brown, musician Will.i.am and actor and advocate Charlize Theron.

The city of Irvine and surrounding area are also brimming with innumerable ways for students to enhance their university experience. UC Irvine students can access local research and internship opportunities, visit famous attractions and venues, enjoy the performing arts, bike to famed beaches or explore hundreds of miles of bike trails, hiking or mountain resorts for skiing or snowboarding.

You can expect the best at UC Irvine. I encourage you to take advantage of all that UC Irvine has to offer.

Sincerely,

Michael V. Drake, M.D.
Chancellor
Greetings
On behalf of my colleagues at the University of California, Irvine, the students we teach, counsel and provide for, and the broader community that we serve, I would like to thank you for your interest in our campus. This is a magnificent place to nurture the dreams and aspirations of your sons and daughters, and we will provide them with academic and co-curricular experiences that will stimulate their intellects, ignite their passions and quench their thirsts for knowledge and information.

But to truly appreciate the UCI experience, I hope you will be as excited as I am about our world-class faculty. From the sciences to the fine arts, we boast a faculty that is always on the cutting-edge of new technologies, new information and new research. Their hands-on work with students is impressive. Indeed, their lives and professional artistry are measured across the landscape of academic classrooms, clinical and counseling treatment rooms, research labs, administrative offices and professional conferences.

UC Irvine has also maintained the ambiance of a small college campus with a strong mutual support network among students, faculty and staff. Although we are a medium size, dynamic university, the campus culture is that of a nurturing and caring environment. This ‘small college feel’ is an aspect of our distinctive legacy in which we take great pride. Through interaction with faculty and staff, quality of instruction, mentoring, encouragement to study abroad, campus diversity and much more, UCI students experience the value we place on ensuring the environment supports the achievement of their education and life-preparation goals.

In taking a closer look at UC Irvine, know that there is a cultural richness to this campus that you need to experience. You will discover that our campus fosters an environment in which your cultural identity is valued and supported. I am but one of many, seeking to extend the legacy of diversity excellence I was blessed to be touched by. Come discover UCI — and you too can know the promise that an Irvine education offers.

We welcome you!

Sincerely,

Thomas A. Parham, ’77 Ph.D.

African – American Studies

Knowing our history, exploring the complexities of our racial identity and critically analyzing society’s presentation of African and African American race and culture, challenges our thinking and strengthens us for all of our future endeavors.

African American Studies at UCI is an interdisciplinary program offering students an opportunity to study societies and cultures established by people of the African diaspora. The curriculum encourages students to investigate the African American experience from a variety of disciplinary perspectives and theoretical approaches. Among the topics explored are the process of colonization and the forced migration of African people, the positionality of African people in the racialized symbolic and social orders of the western hemisphere and the cultural and aesthetic values associated with “Blackness” and “Africanness.” The program offers a major and a minor.

Students who wish to further their studies can select from a variety of electives including: African American literary traditions, musical traditions, political participation, protest traditions, race and visual representations, slave narratives and slave societies.

Ele Si Rosa Parks Theme House
The Ele Si Rosa Parks Theme House, sponsored by the African American Studies Department, is one of two houses sponsored by an ethnic studies department within the Arroyo Vista undergraduate housing community. Students living in the Rosa Parks House have the unique opportunity of living in a house that both celebrates and encourages residents to learn and educate themselves about Black history. The walls are covered with images of Black leaders, past and present, and speak to the legacy of the Black experience. Residents are not required to be African American Studies majors, but they are required to take one course in African American Studies during their year as a resident in the house.

The Rosa Parks House also serves as a place where Black organizations can host programs and events. The House serves as a home away from home for many of the residents and creates an environment conducive to learning and supportive of Black students at UCI. The House is open to anyone who is interested in learning more about Black history and the Black experience in America. The Rosa Parks House creates a one of a kind experience and is committed to educating and empowering all those who walk through its doors.
With over 600 clubs and organizations on campus, you’ll find it easy to meet students from all over the world who share your academic, cultural and social interests.

A variety of opportunities are available for African and African American students to connect and have a sense of family within the UC Irvine community. Student chapters of prominent national organizations, the Black Student Union, the African American Studies Program and Christ Our Redeemer (COR) Young Adult Choir are only a few examples of the many opportunities at UCI.

Get ready to get involved, learn, enjoy new experiences and have fun as you take advantage of all the campus has to offer!

Campus Living

Housing
UC Irvine guarantees two years of on-campus housing for freshmen and one year to transfer students (who are single and under the age of 25) who meet the housing application and contract return deadlines.

Residence Halls
Mesa Court and Middle Earth are freshmen communities offering a wide range of theme halls with live-in Resident Advisors. Halls range in size from 48-75 students each — living in single, double or triple occupancy rooms.

On-Campus Apartments
Campus Village accommodates transfer and continuing students in two bedroom, one-bath apartments (four students in each apartment). Most apartments are furnished, though some unfurnished apartments are available.

Vista del Campo, Vista del Campo Norte, Camino del Sol and Puerta del Sol are privately owned and managed apartment communities located on the east side of the UCI campus, serving single undergraduate sophomores, juniors, seniors and graduate students. All apartments in the Vista del Campo communities are unfurnished and offer individual 12-month leases.

Theme Houses
Arroyo Vista offers an alternative to traditional residential hall living in theme houses organized around academic interest, campus involvement or Greek membership.

Family Housing
Verano Place is a graduate and family housing community serving full-time graduate students and undergraduates who are 25 years of age or older, married, in a domestic partnership or single parents living with their children.
Financial Aid and Scholarships

All eligible students and parents can receive some type of financial assistance, regardless of the family’s income and assets. In order for UCI to determine your eligibility for specific programs you must complete and submit a Free Application for Federal Student Aid (FAFSA) by March 2 at www.fafsa.gov.

Types of Financial Aid
Grants: Grants are awarded on the basis of financial need and do not have to be repaid.
Scholarships: Scholarships are awarded on the basis of academic criteria or any combination of academics, financial need, leadership positions, campus or community activities and work experience. They are designed to reward, encourage and assist you in pursuing academic excellence and leadership roles.
Loans: Loans are money that must be repaid over a period of time, usually after a student leaves school.
Work-Study: Work-study is money that students may earn by working a part time job. The program allows students to gain work experience and pay for a part of their educational expenses as they earn their award. Most jobs are on campus and departments are eager to hire students with work-study awards.

Blue and Gold Opportunity Plan
The University of California’s Blue and Gold Opportunity Plan will cover your systemwide fees if you are a California resident whose family earns less than $80,000 a year and you qualify for financial aid (you must meet all eligibility requirements and deadlines). For more information please visit: www.universityofcalifornia.edu/blueandgold/.

Scholarship Opportunities
The Joseph L. White Scholarship
Lindon Barrett Memorial Award
UC Irvine/Edison International Scholarship

For a full list of scholarships available at UCI please visit: www.ofas.uci.edu/scholarships.

* For nonresidents of California, $22,878 nonresident tuition and fees to the costs above.
** Living expenses includes books and supplies, room and board, personal, and transportation; may vary per individual student.
*** Vista del Campo, Vista del Campo Norte, Camino del Sol and Puerta del Sol housing are treated as on campus.

Estimated costs and fees are subject to change. Please check www.ofas.uci.edu and www.reg.uci.edu/fees for the most up-to-date information. The State of California requires that you be told the following: Federal student loans are available to most students regardless of income and provide a range of repayment options including income-based repayment plans and loan forgiveness benefits, which other education loans are not required to provide.
The California Dream Act

The recently passed California Dream Acts — AB 130 and AB 131 — extend eligibility for certain types of institutional and state aid to students, including undocumented students, who qualify for benefits under another California law — AB 540 — which exempts students from paying nonresident supplemental tuition.

Are you an AB 450 student?
To be AB 540 eligible, you must meet ALL of the following requirements:
• You must have attended a high school (public or private) in California for three or more years.
• You must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
• You are not in the U.S. on a nonimmigrant visa (e.g. F or J).
• If you are without lawful immigration status, you must file an affidavit stating that you have filed an application to legalize your immigration status, or will file an application as soon as you are eligible to do so.

Eligible students:
• Fill out and submit the California Dream Act Application through the California Student Aid Commission. Go to www.dream.csac.ca.gov.
• After you are admitted to a UC campus where you intend to enroll, submit your Statement of Legal Residence. If you then receive a nonresident classification from the campus residence deputy, submit a California Nonresident Tuition Exemption Request or a University of California Nonresident Tuition Exemption Application and Affidavit, available at your campus registrar’s office or website. You may be asked to provide official high school transcripts and proof of high school graduation. Once you have completed these steps, the campus will notify you of any financial aid for which you are eligible.

For University of California Nonresident Tuition Exemption Application and Affidavit visit: http://www.reg.uci.edu/residency/downloads/tuitionexemptionapplic.pdf

For more information on the California Dream Act please visit: http://admission.universityofcalifornia.edu/paying-for-uc/financial-aid/dream/

Do you have any questions about declaring residency? John Lapuz at jlapuz@uci.edu.

Do you have any questions regarding financial aid? Olivia Garcia at ogarcia@uci.edu
Health and wellness programs, recreation and physical fitness activities and an extensive list of club, intramural and competitive sports are a phenomenal part of the UCI experience.

A NCAA Division I school, UCI is a member of the nine-school Big West Conference as well as the Mountain Pacific Sports Federation. UCI’s athletics program features 18 sports (nine men’s and nine women’s teams).

UCI teams have won 28 national titles in nine sports, including the 2013 men’s volleyball national title and 64 individual Anteaters have won national titles; 53 have competed in the Olympics. More than 3,000 students have been honored as Big West Conference Scholar-Athletes in the last 20 years. UCI has also had over 400 All-Americans. For more information please visit: www.ucirvinesports.com.

Campus Recreation provides UCI students, faculty and staff with an opportunity to enhance their campus experience by developing and maintaining a physically active lifestyle through fitness and wellness, outdoor adventures, club sports, intramural sports and activity classes. These programs are offered at the Anteater Recreational Center (ARC), ARC fields and at other off-campus locations. For more information please visit: www.campusrec.uci.edu.

**Key Dates**

**Fall**

*September 1-30*
- Transfer Admission Guarantee (TAG) application submission period for fall admission (transfer applicants). Apply online at https://uctap.universityofcalifornia.edu/students

*November 1-30*
- UC priority application filing period for fall quarter admission and scholarships. Application must be filed no later than November 30. Apply online at www.universityofcalifornia.edu/apply.

**Winter**

*December*
- Last opportunity for freshmen applicants to take SAT Reasoning Test or ACT Plus Writing.

**Spring**

*March 1-31*
- UCI notifies freshmen applicants of their admissions status.

*March 2*
- Priority deadline for filing the Free Application for Federal Student Aid (FAFSA) and GPA verification form for Cal Grant consideration.

*April 1-30*
- UCI notifies transfer applicants of their admissions status.
- “Celebrate UCI” — campus open house (generally the third Saturday)

*May 1*
- Freshman Statement of Intent to Register (SIR) and Statement of Legal Residence (SLR) due.
- Priority deadline for UCI to receive all required supporting documents to complete students’ financial aid applications.
- Housing applications due for freshmen.

**Summer**

*June 1*
- Transfer Statement of Intent to Register (SIR) and Statement of Legal Residence (SLR) due.
- Housing applications due for transfer students.

*July 15 (by July 1 preferred)*
- Final transcripts and all official documents due to the Office of Admissions and Relations with Schools.
Eligibility Requirements

Freshman Basics
Must Complete A-G Course Requirements
• History/Social Science (2 years required)
• English (4 years required)
• Mathematics (3 years required, 4 years recommended)
• Laboratory Science (2 years required, 3 years recommended)
• Language Other Than English (2 years required, years recommended)
• Visual and Performing Arts (1 year required)
• College Preparatory Electives (1 year required)

Minimum GPA is a 3.0 for California residents and a 3.4 for nonresidents.

Examination Requirements
• The SAT Reasoning Test or the ACT Plus Writing

Please visit the Doorways website for additional information regarding “A-G” requirements and UC eligibility. California high school students can view their school’s UC certified course list at www.ucop.edu/doorways.

Transfer Basics
Must Complete the Basic UC Requirements
• 60 UC transferable semester or 90 UC transferable quarter units*
• Two UC transferable courses in English composition
• One UC transferable course in mathematical concepts and quantitative reasoning
• Four UC transferable courses chosen from at least two of the following areas: the arts and humanities, the social and behavioral sciences or the physical and biological sciences.

A 2.4 minimum GPA for California residents and a minimum 2.8 GPA for nonresidents. At UCI, the majority of transfer students offered admission have a GPA of 3.0 or higher.

* IMPORTANT NOTE: All 60 UC transferable semester units or 90 UC transferable quarter units must be completed by end of spring prior to transfer. For more specific information about transferring from a California Community College, such as specific courses required for each major at UCI, please visit: www.assist.org or www.admissions.uci.edu/resources/transfer_selection.html.
**Personal Statement**

**What is the purpose of a personal statement?**
The purpose of the personal statement is to give you an opportunity to tell UC Irvine important things about yourself that are not addressed or apparent in the application. In making decisions about admission and scholarships, UCI wants to consider your personal attributes and gain some sense of who you are; your experiences, accomplishments and a variety of qualities such as motivation, self-discipline, leadership, commitment to others, as well as your academic record.

**Instructions for writing your personal statement:**
- Respond to both prompts, using a maximum of 1,000 words total.
- You may allocate the word count as you wish. If you choose to respond to one prompt at greater length, it is suggested your shorter answer be no less than 250 words.
- UC Irvine expects you to write the personal statement yourself; write in your own voice. It is wise to have a friend, teacher or parent read the statement to advise you on how well it conveys what you want it to say and if it reflects who you really are. Remember: the purpose of the personal statement is to help UC Irvine get to know you on a personal level.
- Recognize both the importance of the personal statement and the difficulty of the task. Give yourself enough time to produce a thoughtful and carefully composed personal statement.

**Current Personal Statement Questions:**

**Prompt One (freshmen applicants)**
Describe the world you come from — for example, your family, community or school — and tell us how your world has shaped your dreams and aspirations.

**Prompt One (transfer applicants)**
What is your intended major? Discuss how your interest in the subject developed and describe any experience you have had in the field — such as volunteer work, internships and employment, participation in student organizations and activities — and what you have gained from your involvement.

**Prompt Two (all applicants)**
Tell us about a personal quality, talent, accomplishment, contribution or experience that is important to you. What about this quality or accomplishment makes you proud and how does it relate to the person you are?
Campus Tours

Visit UCI – it’s the best way to get to know us!

Take a Campus Tour and see all that UCI has to offer! Housing Tours will show you the small college atmosphere in our first-year residence hall communities.

Tours are led by Campus Representatives, UC Irvine’s official tour guides. These highly trained students offer a one-hour walking tour of the campus with information highlighting the campus, academic programs and student life.

Check out www.campustours.uci.edu to plan your visit!

Virtual Tour
www.campustours.uci.edu/virtualtour/

Take an interactive virtual walking tour of the campus led by a student Campus Representative. You can also take a look at stunning panoramic photos that give you a 360º view of Aldrich Park, and inside various buildings including lecture halls, the library, student housing . . . plus more!

See how beautiful our campus is and envision yourself here!
Meet Your Admissions Counselors

Questions about UC Irvine?

Whether you have questions about the admissions process, your personal statement, how to apply for financial aid or what life on campus is like, the Office of Admissions and Relations with Schools has two Underrepresented Minority Recruitment and Yield Coordinators who are available to answer your questions. Feel free to contact them by telephone or email:

Accommodations: Upon request, this publication will be made available in alternative formats for people with disabilities. Contact the UCI Disability Services Center; telephone 949-824-7494, TDD 949-824-6272. The campus and all buildings are accessible by wheelchair.

Campus Safety: Pursuant to the Federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, UCI annually makes available to the public statistics on reported occurrences of criminal activity on and off campus and at UCI Medical Center at www.police.uci.edu/awareness/jca.html.

Nondiscrimination Policy: The University of California, in accordance with applicable Federal and State law and university policy, does not discriminate on the basis of race, color, national origin, religion, sex, gender identity, pregnancy, physical or mental disability, medical condition (cancer related or genetic characteristics), ancestry, marital status, age, sexual orientation, citizenship, or service in the uniformed services. The university also prohibits sexual harassment, including sexual violence. This nondiscrimination policy covers admission, access, and treatment in university programs and activities. For more information, call 949-824-5594.
The University of California, Irvine is located in coastal Southern California, approximately 40 miles south of Los Angeles and 80 miles north of San Diego. Situated in dynamic Orange County, the main campus in Irvine and UC Irvine Medical Center in the nearby city of Orange are reachable from several major airports, the closest being Orange County/John Wayne Airport (SNA), and by major freeways.
