WELCOME TO SOUTHERN CALIFORNIA
University of California, Irvine (UCI) is ranked among the top universities in the world. Exceptional academics, an incomparable coastal location, and an exciting campus life make UCI a #1 choice to study and have fun.

Our campus offers easy access to cultural activities, surfing and sailing, hundreds of miles of bike and hiking trails, desert camping, and mountain resorts for snowboarding and skiing.

We are located in the city of Irvine, a major technology and business hub with diverse communities and highly educated residents. Irvine is consistently ranked among the safest cities in the nation.
We believe in nurturing the innate and varied talents of students who are infinitely curious, think courageously, and see things differently.

Founded in 1965, UCI is recognized globally for excellence in academics and research. We draw on the unyielding spirit of our pioneering faculty, staff and students who arrived on campus with a dream to inspire change and generate new ideas. We believe that true progress is made when different perspectives come together to advance our understanding of the world around us.

Our students are supported in the achievement of their education and life-preparation goals by world-class faculty and staff. UCI uniquely combines the strengths of a large, dynamic research university with the friendly feel of a small college.

Choose UCI. We will equip you to shape the future in extraordinary ways.

ABOUT UCI
UNDERGRADUATE RESEARCH OPPORTUNITIES PROGRAM (UROP)

Faculty-mentored research and creative activities have become integral to a UCI education. As early as freshman year, students have one-on-one interactions with world-renowned faculty, applying research methods to real-world applications, and developing the skills and knowledge that will lead to successful careers. Learn more at urop.uci.edu.

The Campuswide Honors Collegium offers an ideal learning experience for talented students. A hallmark of Campuswide Honors is personal attention, ensuring you have extensive resources and individual guidance at your fingertips. Honors advisors help students chart their path for undergraduate study and beyond. Campuswide Honors students also enjoy added educational benefits such as stimulating honors courses, coursework in selective small groups, mentored research, and substantial interaction with faculty.

Dedicated to promoting high standards of scholastic excellence and personal growth, Campuswide Honors combines the qualities of a liberal arts college with the unique opportunities offered by a major research university. UCI’s supportive honors community helps program participants maximize their undergraduate education and achieve ambitious goals. Explore honors.uci.edu.

“The beauty of the Campuswide Honors Collegium is the elegant way in which the elements of the program - students, faculty, courses, advising, housing - work together to create a consummate living-learning community.”

–Charles E. (Ted) Wright, Director
UCI takes pride in the wide variety of excellent programs, activities, and centers available to assist students with just about any academic, personal, social, or career interest. Learn more at admissions.uci.edu/studentservices.
