NEW STUDENTS
WELCOME GUIDE
GREETINGS!

University of California, Irvine, home of the Anteaters, is eagerly anticipating your arrival. This guide provides a pathway for you to complete your enrollment, arrive on campus and transition to UC Irvine with ease. In these pages are many of the exceptional services, programs and people that serve and assist new students like yourself so that you can quickly begin to feel right at home.

You are about to begin a very exciting journey. UC Irvine is a magnificent place to nurture your dreams and aspirations and we will provide you with academic and co-curricular experiences that will stimulate your intellect, ignite your passions, and quench your thirst for knowledge and information.

Uniquely threaded throughout all aspects of a UC Irvine education is the ideal that we are to continually improve the world in which we live through academic pursuits, service, innovation and research. At UCI you will graduate ready to make meaningful differences in your community as well as internationally.

By choosing to become fully engaged both inside and outside of the classroom, you will build new insights and gain in personal attributes. Now is the time to discover the world around you and the strength that comes from leadership and character excellence—the traits of UCI Anteaters.

We look forward to welcoming you on campus!

Best regards,

Thomas A. Parham, '77 Ph.D.
Vice Chancellor Student Affairs
WE ARE EXPECTING YOU AT

UC Irvine

As a University of California, Irvine student, you will be an integral part of one of the preeminent universities in the U.S. Once on the UCI campus, you will discover there are many educational, social, and experiential opportunities for you to take advantage of that are truly remarkable.

UC Irvine is a vibrant global village. Over 80 languages are spoken on campus, and students come to UCI from nearly 100 foreign countries and across the United States. The campus is in the heart of California’s most diverse region and it embraces active involvement with local communities representing countries and cultures worldwide. The city of Irvine itself has a highly diverse and highly educated population so you will feel right at home. And, Irvine is consistently ranked as one of the safest large cities in America.

You are going to love our proximity to world-renown beaches, desert and mountain resorts, biking and hiking trails, cultural centers for the arts and music, the cities of Los Angeles and San Diego, and internationally famous destinations such as Disneyland, Hollywood, and Angel Stadium of Anaheim.

See you on campus - we are expecting you!

Chancellor Michael Drake at Welcome Week.
The following information will guide you through the process of accepting admission into the University of California, Irvine. Log into your MyAdmissionsApplication@UCI account at www.admissions.uci.edu for specific details. Be sure to regularly check the Message Center.

International students are to complete the steps for All Students in items 1-7 below as well as the steps specifically for international students that follow.

**ALL STUDENTS MUST:**

1. **Read your contract and submit your Statement of Intent to Register (SIR).**
   Your SIR and nonrefundable $100 Acceptance of Admission Fee (if requested) is the key to reserving your space at UCI. The freshman SIR deadline is May 1, 2013 or the date specified on your admission letter. The transfer SIR deadline is June 1, 2013 or the date specified on your admission letter.

2. **Submit your Statement of Legal Residence (SLR).**
   The information you provide on your SLR is used to determine your residence classification for tuition fee purposes. The freshman SLR deadline is May 1, 2013. The transfer SLR deadline is June 1, 2013.

3. **Submit your Housing Application.**
   In order to submit a housing application you must have submitted a positive SIR. The freshman deadline to submit a housing application is May 1. The transfer deadline to submit a housing application is June 1.

4. **Submit your official transcripts and test scores.** Final official transcripts and test scores are due in the UC Irvine Office of Admissions by July 15, 2013 (by July 1 preferred). Transcripts for any summer college courses in which you enroll are due by September 15, 2013.
   - International students are encouraged to request these early because it may take some time for schools outside of the USA to send your official transcripts to UCI. Failure to provide official transcripts may jeopardize your enrollment at UCI.

5. **Take placement test(s).**
   Many important courses require placement test results in order for you to register. In particular, writing courses often require a test result for registration. Placement testing is offered in conjunction with Student-Parent Orientation Program and International Student Orientation dates during the summer and September. Visit the Academic Testing Center website at www.testingcenter.uci.edu to obtain information about tests, testing dates, and a guide to which placement tests you may need.

6a. **FRESHMEN**
   - **Attend Student Parent Orientation Program (SPOP) or International Student Orientation (ISO).**
     New student orientation is mandatory for all freshmen. There are two orientation programs for international students; the right program for you depends upon where you went to school prior to UCI.
     - The Student-Parent Orientation Program is a two-day-one-night orientation offered multiple times between mid-July and mid-August. Academic advising, signing up for fall classes, campus tours, social activities, and meeting current and new UC Irvine students are included in the SPOP experience.

   - **Mail official transcripts to:**
     Office of Admissions and Relations with Schools
     University of California, Irvine
     260 Aldrich Hall
     Irvine, CA 92697-1075
The International Student Orientation (ISO) is a three-day-two-night program that offers many of the same elements as SPOP, but is tailored to the unique needs of international students, in particular students who have not spent a significant amount of time in the U.S. ISO is offered once, September 18-20, 2013.

International freshmen who did not attend high school in the U.S. will be required to go to ISO. International freshmen who did attend high school in the U.S. will have the option of attending SPOP or ISO.

In order to enroll in courses for fall quarter, you will need to sign-up for orientation. If you are unable to travel to Irvine during the summer to attend SPOP or ISO, you must request an Orientation Exception. The Orientation Exception Request form will be available online when your orientation reservation window opens. The date and time of your reservation window will be sent to you via email in early May.

For more information, please visit the orientation website at www.students.uci.edu/orientation.

6b. TRANSFER STUDENTS

Meet with your Academic Advisor and Attend Transfer Success.

Meeting with your academic advisor is required to enroll in courses. Please contact your advisor to schedule an appointment. Visit www.admissions.uci.edu/resources/academic_counseling.html for academic advisors.

Transfer Success is an orientation program specifically designed for new students transferring to the university. The program will be offered twice in July; attendance is optional, however we hope you will join us! Our goal is for your transfer experience at UC Irvine to be positive and enriching, academically and socially.

At Transfer Success you will be able to meet in an informal setting with other new transfer students ... you will also have the opportunity to interact with currently enrolled UCI students and learn “survival secrets” from the pros!

Transfer Success does not include academic advising. However, for the convenience of those attending the program, many academic units will be offering advising in the afternoon after Transfer Success. Make an appointment (required) for advising and make a day of it here at UCI. Appointments will be offered on a first-come first-served basis.

Sign-ups for Transfer Success will begin on May 28, 2013 at 4 p.m. (Pacific time). To sign-up for Transfer Success and to obtain program details visit www.students.uci.edu/orientation.

7. Pay fees.

Check your Zot account online to see your registration fees and other charges, as well as any financial aid, waivers or payments credited to your account at https://zotaccount.uci.edu. Be sure to pay the amount due by the fee deadline to avoid late charges and dropped courses.

INTERNATIONAL STUDENTS MUST ALSO:

8. Submit your Confidential Financial Statement (CFS) with signatures and supporting documents. The freshman deadline to submit the CFS is May 1; the transfer deadline to submit the CFS is June 1. CFS and supporting documents received after the deadline will result in the delay of processing the Form I-20. If you do not need to apply for the Form I-20, proceed to step 11.

You will need an F-1 student visa to study in the USA if you do not have a visa status that allows you to attend school in the USA. The Form I-20 will allow you to apply for the F-1 student visa. If you are already in the USA in F-1 student visa status, you must request a Form I-20 from UCI and transfer your F-1 SEVIS record to UCI.

Go to your MyAdmissionsApplication@UCI account on the Admissions website at www.admissions.uci.edu to access the CFS.

Follow the instructions, print the CFS, obtain the required signatures with dates (signatures must be in blue ink) and mail the CFS and verification of funds to:

Attention: Records - CFS Processing
Office of Admissions and Relations with Schools
University of California, Irvine
260 Aldrich Hall
Irvine, CA 92697-1075
9. A scanned passport biographical page is required to the UCI International Center for issuance of Form I-20. Email internationalcenter@uci.edu. The freshman deadline is May 1; the transfer deadline is June 1. You may also mail a photocopy to:

International Center
University of California, Irvine
G302 UCI Student Center
Irvine, CA 92697-5255

10a. If you live outside of the USA and need to obtain an F-1 student visa you must also:
1. Check the mail for your Form I-20.
   Once your CFS, bank letter and passport biographical page have been received and verified as complete, the International Center will process your Form I-20 within 15 business days and mail it to the address stated on the CFS.
2. Apply for the F-1 student visa.
   Students without an F-1 visa need to apply for one. After you receive your Form I-20, you may apply for an F-1 visa. Visit the USA Department of State website http://travel.state.gov/visa/temp/types/types_1268.html.

10b. If you are currently in the USA and have an F-1 visa you must also:
1. Request a transfer of your SEVIS Record from your current school to UC Irvine.
   Students with an F-1 visa currently in the USA must complete the Student and Exchange Visitor Information System (SEVIS) Record Release Form. The form is available on MyAdmissionsApplication@UCI via www.admissions.uci.edu and on the International Center website at www.ic.uci.edu.
   Print the SEVIS Record Release Form, follow the instructions, and mail the form to:

   International Center
   University of California, Irvine
   G302 UCI Student Center
   Irvine, CA 92697-5255

   Note: Failure to follow the instructions will delay the processing and mailing of your Form I-20.
2. Check the mail for your Form I-20 issued by UCI.
   Once your CFS, bank letter, passport biographical page and SEVIS Record Release Form have been received and verified as complete, the International Center will process your Form I-20 within 15 business days after the SEVIS Record Release date and mail it to the address stated on the CFS.

10c. If you live in the USA and need an F-1 visa you must also:
1. Plan to travel outside of the USA for an F-1 visa or you must file a change of status application with the U.S. Citizenship and Immigration Services (USCIS).
2. Contact the International Center at internationalcenter@uci.edu for additional information.
3. Check the mail for your Form I-20.
   Once your CFS, bank letter, and passport biographical page have been received and verified as complete, and consultation with the International Center has been completed, the International Center will process your Form I-20 within 15 business days and mail it to the address stated on the CFS.

11. Attend an International Center Check-In Session.
All new international students are required to attend one check-in session to report your arrival at UCI. During the session, International Center advisors will review immigration requirements and assist you with a successful SEVIS check-in process. Your visa documents will be reviewed and you will have an opportunity to receive answers to your questions.

Dates and times for check-in sessions for fall 2013 will be available on the International Center website (www.ic.uci.edu).

For more information about the International Center and other programs that they offer, please visit www.ic.uci.edu.
SUMMER PROGRAMS FOR
FRESHMEN &
TRANSFER
STUDENTS

Freshman Summer Start Program
August 3 - September 12, 2013
Build a foundation for your success before fall quarter begins! As an incoming student at the University of California, Irvine, you are invited to take part in the Freshman Summer Start Program, an innovative, experiential opportunity that will provide you with a rich academic, social, and personal foundation for the next four years.

By the beginning of fall quarter, you will have already started on your university coursework and graduation requirements, become acquainted with the campus and surrounding community, gained confidence in meeting and speaking with professors, and become part of a close-knit group of incoming students.

The program’s special workshops and sessions on various aspects of campus life for freshmen includes: orientation to resources such as the Career Center and the Anteater Recreation Center (ARC); introduction to the Undergraduate Research Opportunities Program (UROP); and sessions on time management, study skills, college composition, study abroad, and career planning. The lecture series, INSIDE UCI, provides an introduction to research projects and faculty from all 10 of the university’s academic schools.

International Freshmen
The Freshman Summer Start Program has a special pathway available for international students called Early Start International - a valuable program that will help acquaint you to campus, the university, and American life. You will also acquire the skills needed to be successful at UCI and have the opportunity to build relationships with other international and American students.

International Freshman Summer Start students enroll in two courses:

University Studies 84: Pathways to University Success
This course is designed to help first-year students make a successful transition to the University of California, Irvine and develop strategies that will enhance their university experience. Through lectures, discussion, course assignments, and activities, you will learn about campus resources and programs that support your transition to the university and enhance your academic development. You will also develop a personal action plan to guide your career at UCI.

AND

Academic English 22B: Reading and Vocabulary
This course is designed to advance your English vocabulary through active reading and discussion with peers. Extensive study of journal articles, textbook chapters, note-taking, and the interpretation of charts, diagrams, tables, and figures.

Please visit www.summer.uci.edu/fssp to register and for more information. We look forward to welcoming you this summer!
Transfer Summer Start Program
August 4 - September 12, 2013
Build a foundation for your success before fall quarter begins! As a newly admitted student transferring into the University of California, Irvine, you are invited to take part in the Transfer Summer Start Program, an innovative, experiential opportunity that will provide you with a rich academic, social, and personal foundation as you embark on your new academic career at UCI.

Begin your transfer experience during the summer when the campus is more relaxed. You will be part of a smaller community of students transferring to UCI and will have an opportunity to become familiar with the academic rigor and social scene of UCI under the ideal conditions of maximum opportunity and support.

Make the most of your years here as an upper classman by participating in the program’s special workshops and sessions on various aspects of campus life: using the UCI library for research, getting to know faculty, career planning, studying abroad, getting involved on campus, leadership development, public speaking, and writing. The lecture series, INSIDE UCI, provides an introduction to research projects and faculty from all 10 of the university’s academic schools.

International Transfer Students
International Transfer students also have the unique advantage of special offerings available within the Transfer Summer Start Program.

International Transfer Summer Start students enroll in two courses:

University Studies 83: Pathways to University Success
This course is designed to help students make a successful transition to the University of California, Irvine and develop strategies that will enhance their university experience. Through lectures, discussion, course assignments, and activities, students will learn about campus resources and programs that support their transition to the university and enhance their academic development. Students will also develop a personal action plan to guide their career at UCI.

A credit course of your choosing.

Please visit www.summer.uci.edu/transfer to register and for more information. We look forward to welcoming you this summer!

Summer Session
Summer is a great time to learn! UCI Summer Session makes it possible for students to make progress towards their degree year-round. Over 800 courses across 70 academic disciplines are offered, including online classes; students can choose from general education requirements or coursework required for their major or minor. We hope you are one of the many students who choose to study at UC Irvine during the summer.

Summer Session I: June 24 - August 1, 2013
10-Week: June 24 - August 30, 2013
Summer Session II: August 5 - September 11, 2013

If you are interested in attending Summer Session at UCI, please visit www.summer.uci.edu and follow us on Facebook, www.summer.uci.edu/facebook.
Campus Organizations
Campus life at UCI offers many opportunities for you to become involved outside of the classroom to enhance your overall collegiate experience. With more than 600 registered campus organizations, you can readily find friends who share your interests, whether academic, environmental, multicultural, political, recreational, sport, religious, service, social, athletic, or in Greek fraternities or sororities.

Listed below are some of the most popular clubs and organizations on campus:

- Alyansa Ng Mga Kababayan (Multicultural Organization)
- Anteaters for Recycling and Conservation (Environmental Organization)
- Arts for Healing at UCI (Service Organization)
- Black Student Union - BSU (Multicultural Organization)
- Circle K International at UCI (Service Organization)
- Communication Club (International Organization)
- Hip Hop Congress (Social/Support Organization)
- Modern Completely Insane Anteaters (Performance Organization)
- Running Club at UCI (Club Sport Organization)
- Student Health Outreach (Service Organization)
- Undergraduate Business Association (Academic Organization)

Visit www.studentlife.uci.edu to gain more insight into campus life at UCI.

International Peer Group (IPG) Program
IPG provides both academic and social support to engage international students in UCI’s vibrant campus life and help them create solid relationships in their new environment. Learn more about this outstanding student resource at www.due.uci.edu/ipg.

Welcome Week
Welcome Week, which will be held September 23-27, 2013, is filled with events that showcase student clubs and organizations, student talent, and creates opportunities for new students to meet and interact. Come see how you can get involved on campus during the Anteater Involvement Fair, held on September 23 in Aldrich Park!

New Student Convocation
The official opening ceremony of the academic year. Held each year on the Monday of Welcome Week (September 23, 2013). A “must” for new students to see the Chancellor and Deans kick off the new school year.

Shocktoberfest
A fun-filled, Halloween-themed event attended by thousands of students, Shocktoberfest consists of an outdoor street festival with music performances, campus organizations and sponsor booths, and a UCI basketball teams exhibition.

Rainbow Festival and Conference
One of UCI’s most festive traditions, the Rainbow Festival and Conference is an enriching campuswide celebration of cultural and ethnic diversity.

Homecoming
Celebrate Anteater pride during the men’s basketball game with students, faculty, and alumni. Experience an afternoon of games, prizes, entertainment and food.

Greek Songfest
Greek Songfest is a year-long fundraising effort that has truly become one of the most inspiring and enjoyable traditions on campus. With the support of campus fraternities and sororities, renditions of Broadway musicals are performed complete with sets, costumes, complex choreography and lighting designs.

Celebrate UCI
This annual spring event features an outdoor festival, open house, and car show. Wayzgoose, UCI’s oldest tradition, is a student run festival in Aldrich Park filled with live entertainment, food, games and more!
Moving to a new place is an exciting adventure and UCI’s location is one of the campus’ great advantages. There are many restaurants, shopping centers, and entertainment venues to explore in the surrounding area. Bus, train and airport services are also close to campus.
